

December 14th, 18.30-19.30 UA time, **FREE** workshop

EMCC GLOBAL UKRAINE invites volunteers, psychologists, psychotherapists and coaches for the presentation of an **online assessment tool for emotional / motivational needs** - *AgileBrain*.

What is *AgileBrain*

3-minute, image-based tool that measures emotional / motivational needs, validated, published in peer-reviewed academic journals. *AgileBrain* helps you support employees and clients' wellbeing, build emotional awareness and EQ, increase team or relations' effectiveness, and spot toxic processes. *AgileBrain* is extremely useful for Ukraine during the war as a fast and reliable tool to diagnose the emotional, social and motivational needs.

Fields of tool's application are:

- volunteers and war psychologists to have deep work on emotional needs, recovery and reparation
- individual clients in coaching and psychotherapy
- leaders & teams coaching with diagnose of organizational culture and wellbeing

Workshop agenda

In this Webinar, you will:

- Personally experience taking the *AgileBrain* assessment
- Learn how emotional measurement and neuroscience can enhance your coaching practice, human capital practices
- Learn how you can access the *AgileBrain* platform for FREE

Speakers

JD Pincus, PhD, Chief Innovation Officer at *AgileBrain*, spent his career focusing on emerging methods for measuring emotion and motivation. He developed the unified pyramid model of human motivation and the image-based *AgileBrain* measurement technique. Dr. Pincus Ph.D. is focused on the intersection of emotions and behavior.

John Penrose, CEO, Chief Executive Officer at *AgileBrain*, also worked at Citibank in international banking and at Deloitte in strategy consulting. John is the speaker on organizational culture and employee engagement issues.

Workshop is delivered in English with translation to Ukrainian.

Free annual subscription to assessment platform

AgileBrain provides you login for your free assessment, you will be able to try the tool, receive your profile and see how you can work with results. Assessment is available on English and Ukrainian languages. *AgileBrain* is also granting free annual subscription in platform for all workshop participants www.agilebrain.com
